82.2 MINUTES OF THE PREVIOUS MEETING: Minutes of the
previous meeting were circulated. They were amended to
record T. Smith's presence and approved.

82.3 MATTERS ARISING:

82.3a PORTOBELLO CENTRE : N. Stroud reported that despite a
serious flood last Saturday ,the building was in good state.
There would be a Public Meeting on 7th November. A clerical
assistant was being appointed and the Centre needed a
handyman to act as cleaner/janitor.

82.3b PORTOBELLO FESTIVAL : The AGM would be held 9th
October at 7pm in the Library. Much more help was needed.
Next year's Festival should be a dress rehearsal for 1992.

82.3c CONSTITUTION : There had been no action as yet.

82.3d CLEAN SAND & SEA : Cllr. D. Begg reported that he had
asked Forth River Purification Board to monitor the effluent
at Joppa.. They had agreed with the Drainage Dept. that the
cost of the repair to the broken pipe would not be justified.

It was also reported that the new design for the pumping
station was ready & there would be a meeting with the
Drainage Dept. shortly. It was hoped to bring the plans to
the next Council Meeting. Council was asked to note that by
1998 even the new resources would not satisfy the European
Regulations.

82.3e HARRY LAUDER COTTAGE : Cllr. G. Kerevan had asked
Council to note that Edinburgh District Council had agreed to
purchase Harry Lauder Cottage. After considerable discussion
it was agreed by a large majority to record our support for
this proposal by writing to the Dept. of Recreation.
