313.1 Returning Officers' Welcome

Ross Murray and Gavin King from COEC welcomed everyone to the meeting.

313.2 Apologies

Peter Bradley (nominated group representative for Brighton and Rosefield Residents' Association), and Lawrence Marshall (nominated group representative for Portobello Older Peoples' Project) could not attend, so Diana Cairns and Brenda Molony would act on their behalf for the election of Local Interest groups.

313.3 PCC Election Results

The elections results were confirmed. With an electorate of 9,098, 1,276 votes were cast representing a 14.03% turnout. The following candidates had been elected: Max Blinkhorn, Mark Cameron, Brian Cosford, Emma Dempsey, Maria Devoy, Gillian Eunson, Bob Jefferson, Lee Kindness, Geoff Lynn, Ben McLeish, Thea McMillan, David Medcalf, Clare Slifer, Sean Watters.

313.4 Election of Local Interest Groups

The Returning Officers explained that the election was to be conducted by secret ballot and distributed voting papers to all elected members and Local Interest Group representatives. The results of the voting were as follows: Brighton and Rosefield Residents' Association 17, Gilberstoun Residents' Association 19, Joppa Tennis Courts 17, PEDAL 19, Portobello Amenity Society 11, Portobello Older Peoples' Project 21, Woodcraft 19, Towerbank Parent Council 20. The nominated groups were duly elected, excepting Portobello Amenity Society.

313.5 Appointment of Office Bearers

Geoff Lynn was appointed Chair, Lee Kindness Vice-Chair, Mark Cameron Treasurer, and Sean Watters Secretary.

Geoff Lynn thanked the Returning Officers and officials involved in conducting the election. He thanked all candidates who had put themselves forward and all PCC members past and present who had contributed to vibrant and healthy community that is Portobello. Everyone shared a desire to see improvements to the

community and he hoped PCC would continue to play an important role in that. Community Councils faced challenges as there were increasing demands and expectations placed upon them, as well as difficulties in consulting with people. However it was important to consult with the local community and raise awareness of local issues so that PCC would hopefully be better able to represent local views and make relevant representations. PCC had limited resources but it was hoped that working with other bodies and groups, whether or not represented on the Community Council, would help bring positive change.

313.6 Police Report

Sergeant John Young gave a detailed Police Report. Whilst crime overall was down over the same period as last year, with less violent crime, there had been a big increase in thefts in Portobello and Musselburgh, targeting high value bikes in particular. He asked people to be vigilant, take steps to secure property, and report any incidents or concerns.

He encouraged people to respond to the consultation on the next Edinburgh Local Police Plan, via events and an online survey and gave a reassurance that whilst the opening times of the public counters at police stations was being reviewed, there were no proposals to close the Portobello Police Station itself. He also indicated that the Police would undertake patrols with Fire Officers on Bonfire Night, to assess potential fire problems, leaving the Fire Brigade more able to respond to major incidents.

Geoff Lynn raised the issue of Social Media and the considerable local discussion of recent crimes and asked whether such reports of crime on-line were helpful. Sgt Young responded that Social Media was a double-edged sword. On the one hand it was a very useful means of gathering and disseminating information, but it could also propagate misleading information and exaggerate problems, generating a fear of crime out of proportion that it is generally at a low level in Portobello.

Stephen Hawkins raised a concern about the positioning of CCTV cameras in Rosefield Park. Sgt Young explained that whilst COEC controlled the cameras, the police did influence their use, so if there were any concerns they should be reported directly to the Community Policing Team.

313.7 Environment Report

No Environment Report. Sean Watters to follow up on items outstanding from previous meetings.

313.8 Minutes of Previous Meeting

With minor amendments the minutes were agreed.

313.11c Planning: A revision to the Newcraighall north housing proposal had been submitted. PCC had objected to previous applications on the basis of strong local objections from the immediate area. He reminded people of his surgeries and encouraged people to contact it at any time if they had issues of concern. She also explained that as a member of the Planning Committee she was required to not express opinions on applications being processed, but that she always welcomed people's views on such matters.

313.12 AOB

The issue of consultation was discussed. There was agreement that PCC should look at ways to engage with and consult the community, although difficulties and limitations to that were acknowledged. Brenda Molony reminded everyone that the Portobello Reporter was a useful means of getting information out to the local community.
